

A community of learners supporting each other to ensure everyone reaches their full potential.

ADMIN NEWS

TERM ONE, START OF YEAR

We are less than a week away from the learners returning to school (MONDAY 2ND FEBRUARY) and we hope everyone is looking forward to it.

As Principal of Alfriston School I believe communication is key. We endeavour to share information well in advance so that you are fully aware of what's happening and can be involved.

We need your help too - please ensure the office has the most recent, accurate information for you. We email various newsletters out, text message at times and phone when we need to contact you quickly. If any of these details have changed for your whānau please send an email to update or pop in to see our wonderful office ladies.

On the second page of this communication is our Term 1 calendar - this will be updated and shared in every communication ongoing.

We have posted many dates for the school year on our website calendar already. Things like 'Time to Shine' and 'Prize Givings' are special events and we want everyone there so dates can be found now 😊 Pop them in your calendar.

2026 TEACHING TEAM

You may have seen in the media that many schools are struggling to staff their schools and are starting the year without enough teachers.

I am pleased to let you know that we are fully staffed (see below), with staff of a very high calibre. Our staff are committed to achieve our school's vision: 'A community of learners supporting together to ensure everyone reaches their full potential'.

You can find their contact information on our school website.
